

## **Lean on Me**

Some time in our lives

We all have pain, we all have sorrow

But, if we are wise, we know there's

AI – ways tomorrow

Lean on me, when you're not strong

I'll be your friend, I'll help you carry on

For it won't be long

Till I'm gonna need somebody to lean on.

Please swallow your pride

If I have things you need to borrow

For no-one can fill those of your needs

That you won't let show

*women*

**You just call on me brother, when you need a hand**

*all*

**We all need somebody to lean on**

**I might just have a problem that you'll understand**

*all*

**We all need somebody to lean on**

Lean on me, when you're not strong

I'll be your friend, I'll help you carry on

For it won't be long

Till I'm gonna need somebody to lean on.

**You just call on me sister, when you need a hand**

...

If there is a load you have to bear

That you can't carry

I'm right up the road, I'll share your load

If you just call me

Lean on me . . . repeat verse 3.
