

The Voice House

Downtown

Tony Hatch

When you're alone and life is making you lonely
You can always go - downtown
When you've got worries, all the noise and the hurry
Seems to help, I know – downtown

Listen to the music of the traffic in the city
Linger on the sidewalks where the neon signs are pretty
How can you lose?

*The lights are much brighter there
You can forget all your troubles, forget all your cares
And go
Downtown - where all the lights are bright
Downtown - waiting for you tonight
Downtown – you're gonna be all right now.*

Don't hang around and let your troubles surround you
There are movie shows - downtown
Maybe you know some little places to go to
Where they never close - downtown

Listen to the rhythm of a gentle bossa nova
You'll be dancing with it too before the night is over
Happy again

The lights are much brighter there ...

Bass

...of the traffic and linger on

How I Know

forget
go
Downtown
just go downtown
you go downtown
All right now

...rhythm of a bossa nova -
- dance too
