Lean On Me

Sometime in our lives,
We all have pain, we all have
sorrow.
But, if we are wise,
We know that there's always
tomorrow.

*Lean on me, when you're not
strong,
And I'll be your friend: I'll help you
carry on.
For, it won't be long, 'til I'm gonna
need
Somebody to lean on.*

Please swallow your pride
If I have things you need to borrow
For no-one can fill
Those of your needs you won't let
show.

chorus

You just call on me, sister, when
you need a hand;
We all need somebody to lean on.
I just might have a problem that
you'll understand;
We all need somebody to lean on.

If there is a load
You have to bear, that you can't
carry
I'm right up the road
I'll share your load if you just call
me.

chorus

Only You

Looking from a window above
It's like a story of love
Can you hear me
Came back only yesterday
We're moving farther away
Want you near me

*All I needed was the love you gave
All I needed for another day
And all I ever knew - only you*

Sometimes when I think of your name
And it's only a game
And I miss you
Listenin' to the words that you say
It's getting harder to stay
But I need you.
chorus

"Ba-da" break

chorus

This is gonna take a long time
And I wonder what's mine
I can't take no more
Wonderin' if you'll understand
It's just the touch of your hand
Behind closed doors

chorus

Midwives

When my soul was still in heaven
I would hear the songs of love.
So much love was sung around me
I have never known anything but love.

Though I've suffered many sorrows
When my love was not returned
I have love that lasts forever
In the songs my heart has learned
