## Midwives

When my soul was still in heaven  
I would hear the songs of love –  
So much love was sung around me  
I have never known anything but love.

Though I've suffered many sorrows  
When my love was not returned  
I have love that lasts forever  
In the songs my heart has learned.

## Middles

When I was in heaven  
I heard songs of love  
So much love was sung  
I only know love

Though I've suffered sorrow  
When my love was lost  
I have love that lasts  
Songs that my heart learned.
